THANKSGIVING DAY

Over the river and through the woods
To grandfather's house we go;
The horse knows the way
To carry the sleigh,
Through the white and drifted
snow.

Over the river and through the woods
Oh, how the wind does blow;
It stings the toes
And bites the nose,
As over the ground we go.

Over the river and through the woods
To have a first-rate play;
Hear the bells ring,
"Ting-a-ling-ding",
Hurrah for Thanksgiving Day!!

Over the river and through the woods
Trot fast, my dapple-gray;
Spring over the ground
Like a hunting hound,
For this is Thanksgiving Day!

Over the river and through the woods
Straight through the barnyard
gate;

We seem to go, extremely slow--
It is so hard to wait!

Over the river and through the woods
Now grandmother's cap I spy;
Hurrah for the fun,
Is the pudding done?

Hurrah for the pumpkin pie!!

by Lydia Maria Child

Grateful? For What?

Stop! Take a look around you--
think of the daily things you take
for granted. People are always
complaining about something--the food,
teachers, homework, school, other
students, school rules.

How often do you think of things
to be thankful for?--such as your
family, friends, a chance to learn,
being alive, good health, just to
name a few.

The first Thanksgiving was set aside as a day to remember and celebrate the good things of life. It was a time of giving thanks and sharing. As you sit down to your Thanksgiving meal, Stop! What are you thankful for?

Answer:

GOING HOME

Thurs. Oct. 17 was an exciting day for many a student--it was a long weekend! This is a time when everyone has the opportunity to go home, spend a little time with their families and share things that happened while they were apart.

There will be another long weekend at Thanksgiving; take this opportunity and enjoy it!

SQUARE DANCING

Friday, October 24 there was a square dance sponsored by Mary Smit and Rick McDougall. Dancing along with lots of swinging and howling was enjoyed by all! Thank you, Mary and Rick.

FEELINGS

People of the world today are inspired with feelings of warmth,

love, sympathy and happiness.

Emotions like these should be shared with other people. Let people know your feelings so they can find out what kind of a person you really are.

NEW FACE

Mr. Joe Wight has recently joined us here at K.S.B. He is Huntoon's new downstairs cottage-parent.

Born in Louisville, Joe attended high school at Trinity where he enjoyed acting and working on the newspaper staff.

He graduated from Spring Hill College in Mobile, Alabama as an English major. His hobbies include-- playing sports and camping. Good luck and Welcome!

RIDDLE

What question can you never answer
"yes" to?

Answer:

"Are you sleeping?"

SENIOR SPOTLIGHT

Seventeen-year-old Karen Pickard is one of our seniors this year. Karen is from Barbourville, Ky. and sings in the Barbourville church choir.

Karen came here in 1967 and will graduate this May. She has not made any definite plans for her future. Best Wishes, Karen!

CAMPUS RADIO STATION

WORKS FOR YOU

Your own campus radio station, WKCR, works for you in many ways. Regular disc-jockies--Danny Beemer, Joe Martin, and Steve Robbins--are on the air to give their listeners a good time.

Unlike other radio stations, WKCR gives you a variety in music styles: if hard rock is what you dig then Danny will rock 'em hard for you if Top-40 turns you on, tune Joe in for a real turn on; if country is

your bag, then bulldog Steve for the best in the west!

By tuning 5 on your AM dial, you get all this with campus news, weather, and just about anything else imaginable! Try it; you'll like it!

THANKSGIVING POEM

Thanksgiving's coming soon;
Grab the honey, fill the spoon.
Time to rejoice and praise
to God for all the gifts that
come from far.

SENIOR SPOTLIGHT

Nineteen-year-old Shirley Cain, senior, has attended K.S.B. for four years. Being a very athletic young woman, she has been on the track and cheerleading squad for three years.

Shirley has not made any definite plans, but she thinks that she may take night courses at Mt. Sterling High School. Good luck with your future plans!

CHEER UP!!

Surprises? Maybe..... Seven girls were chosen as the 1975-76 cheerleaders at a school assembly, Oct. 23.

Ten girls worked hard to earn the right to represent K.S.B. as cheerleaders, but unfortunately, only seven could be chosen. The faculty selected the following girls: Mary Barnes, Faye Cain, Shirley Cain, Valeria Evans, Virginia Madden, Theresa Ridner and Helen Young.

In case one of these girls is not able to cheer, Debbie Broyles was elected as the alternate. Congratulations girls, we are looking forward to seeing you in action this year!

JOKE

Teacher: Are the examination questions giving you trouble?

Student: No. The questions are clear. It's the answers.

SPORT CATCHUPS

Co-captains--Richard Barnhart, Dan Beemer and Doug Keathley--led the boy's track team to third place in a five-way meet at Indiana School for the Blind on Oct. 4. There were three national records broken during this meet: high-jump open (Illinois restricted high-jump (Ind.), and the 600 yard dash (Ind.). Schools participating were: Indiana with 140 points, Illinois--128 points, Kentucky--86 points, Missouri--47 points and Ohio--32 points.

KENTUCKY 1-2 IN CLASS B

Virginia Madden--senior, made her last K.S.B. track trip well worth her while. She placed in four out of the five events she entered on Oct. 10 and 11. Her variety of talent placed her second in the 600 yard run second in the shot-put restricted, third in the three-consecutive-jumps and fifth in the standing-long-jump!

Mary Barnes--junior, took fourth in the shot-put open. Other girls that participated were: Debbie Cheek--sophomore, Valerie Evans--senior, Dorothy Eubanks--junior, Jenny Montgomery--freshman, and Helen Young--junior.

All girls did a fantastic job this year and should be commended on winning the second place trophy in Class B Division

THERE IS ALWAYS A FIRST TIME!

K.S.B. has been surprising schools for the blind all over the conference this year. The track team finally won first place in the N.C.A.S.B. A trophy was awarded to the team and metals were given for the first four places in each event. Richard Barnhart, scoring 23 points, captured 1st place in shot-put tying the N.C. record of 40 feet, 10 1/2 inches. Scoring 22 points, Danny Beemer broke the 75 yard restricted dash record, running a blazing time

of 8.8 seconds and tied the 50 yard restricted dash record of 6.1 second Doug Keathley with 13 points, receiving 2nd place in the 880 yard dash. The team did a great job in capturing its final victory. Congratulations!

LET'S KEEP THE BALL ROLLING

Bowling is one of the fastest growing indoor sports--more and more people are enjoying it all over the United States and the same goes for some students here.

This year K.S.B. has a girls' and boys' team which compete on a weekly basis with other North Central Association Schools for the Blind.

The teams' members are:

GIRLS--Mary Barnes, Debbie Broyles, Faye Cain (substitute), Dorothy Eubanks, Virginia Madden, Theresa Ridner, Rhonda Spurlock, and Kathy Stokes.

BOYS--Richard Barnhart, Clyde Coulter, Kenneth Jones, Doug Keathley,

Eddie Parker, Tim Potter, Don Stivers, Mike Taylor, Mike Ward and Ronnie Wheatley.

Mrs. Shirley Mills, a Health and P.E. teacher, and her husband--Marty, should be thanked for all the help they give the bowlers. They give a hand to those who need it and offer suggestions to help in any way they can.

Mrs. Mills comments: "This year the girls and boys have improved tremendously in their averages. Both teams seem enthusiastic and we are looking for a high place finish at the end of the season from both teams."

BE A WILDCAT WRESTLING STAR!

Wrestling season started Nov. 3, with anyone 13 years and older, or in the seventh grade on up invited to join. It's a good and exciting sport so come on out and give them a hand!

CATS ARE LOOSE!!

Excitement is building--the cheerleaders will be getting the spirits up yelling, screaming, pawing and scratching--Yea! it's wrestling season!

K.S.B. hits the mat the night of Nov. 11 with always tough Moore High School. This is the Wildcat's first match, but an important one. By the time this issue goes to press our Cats will have captured their first victory!

We are looking forward to an excellent year for our wrestlers!

WILSON-CLAN AND COMPANY

The sixth period General Business class has formed a partnership called Wilson-Clan Company. "We will be manufacturing a product that will help you keep up with your notes magnetic note reminders. They will be on sale in about three weeks-- buy our product and lose no more!"

BUSING: A PROBLEM??

K.S.B. does not have to worry about the problems that face the Jefferson County public schools this year. Our school is located within the boundaries of Jefferson County, but is not considered part of its system.

Court ordered busing of some 22,000 students has caused student uprisings in the schools and public demonstrating outside the schools.

Things have settled down to some extent, but as the second month of busing comes to an end, the demonstrations are continuing and incidents have occurred in this area.

Although none of our students are involved in the demonstrating, we are part of this community. We do not have to worry about the problems in the schools, but it is the demonstrations outside that will influence the community as a whole.

I WONDER

I wonder what if,
The world stopped going,
The sun stopped shining,
The grass would stop growing.

I wonder wonder what if,
People stopped caring,
People stopped loving,
People stopped sharing.

And just for thought--
I wonder what if,
No one fought,
And there was peace all over.

CANDY STRIPERS

Mary Jo Hackworth and Kathy Stokes, sophomores, are the first Candy Strippers from K.S.B. These girls applied and were turned down by eleven different hospitals before being accepted by St. Anthony Hospital. Asked to comment on their

experience the girls replied:

Mary Jo--"It is a challenge and I like to help people." Kathy--"It would make most people give up after being told no eleven times, but we didn't quit trying to find a job in a hospital." It was discouraging to be told "No" so much, but if a person gives up easily he will not make much of himself, the girls summed up.

Kathy and Mary Jo will be helping in the Hospital's Day Care Center. Congratulations and good luck with your jobs!

SPEECH DIRECTOR

Mrs. Mary Jane Sims, who has been our speech teacher for five years, is now employed on a full-time basis. Her work this year will be more concentrated and thorough.

She enjoys watching tennis, attending the theater and needlepoint. Her biggest and most enjoyable hobby is her family.

BRAILLE INFO

Mrs. Madelon Haynes, an English teacher, is teaching braille to Elementary, Jr. High and Senior High students.

She herself, a braille reader, feels the attitudes of students toward reading braille can be change and that in the future, they will feel comfortable in using it.

NATIONAL POSTER CONTEST

America celebrates its 200 birthday as an independent nation in 1976. For many of its handicapped citizens, independence is just a word; dependence is a way of life. If you are interested in making a poster which would encourage the employment of handicapped people, see Mrs. Frey for the details. The national winning artist will receive a \$1000 cash scholarship.
